tibetbook.net update 08.2008

August 27, 2008

Dear friends and colleagues,

the following a new tibetbook.net update, this time featuring bon publications. Most listed books are old and/or used. The condition of the books, however is good, and no mention is made where there a little defects such as stamps, or notes, but these have been considered in the pricing. While most titles are from Tibet, some are from Nepal or India.

All prices are exclusive VAT (7% VAT will be added for customers from the European Union as applicable) and exclusive shipping cost. However, for orders exceeding a total of 300€ shipping (sea mail/surface) will be free.
